APPLICATION FOR STREET OPENING PERMIT

Application is hereby made for a street opening permit as follows:

Owner's Name _____ Address _____

Location of Proposed Street Opening _____

Distance from Proposed Street Opening to Curbline _____

Size of Proposed Street Opening: Length _____ Width _____ Depth _____

Starting Date _____ Completion Date _____

No opening or excavation in any street shall extend from the curbline into the highway a distance greater than one (1) foot beyond the center line of the street before re-filling and restoring the surface of the street to a condition safe and convenient for travel. No more than three hundred (300) feet longitudinally shall be opened in the street at any time.

During the making of any excavation in any street, every necessary and reasonable precaution shall be taken to keep the street in a safe and passable condition both day and night by guards, barriers, lanterns and other devices.

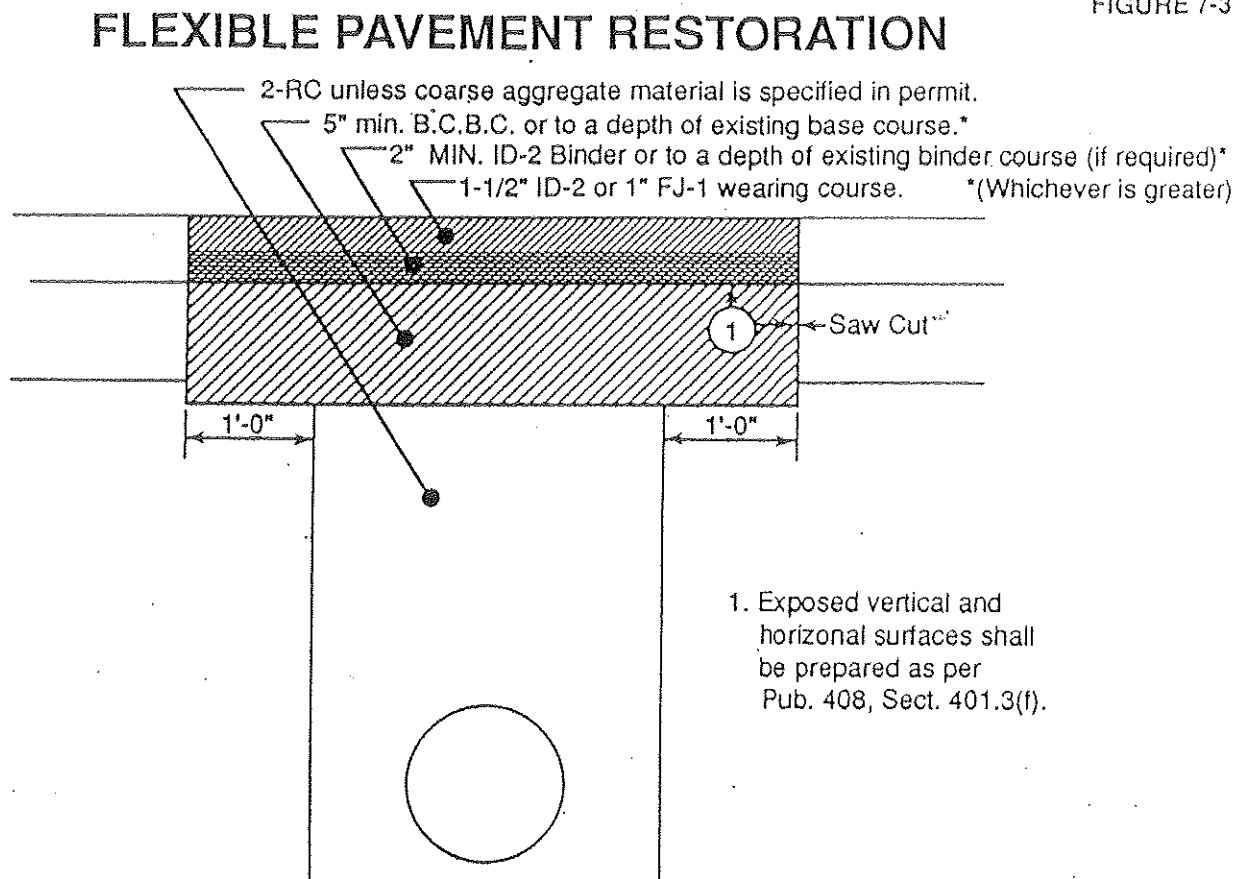

The applicant shall notify the Code Enforcement Officer when the opening or excavation is ready for backfilling before any backfilling is done, and when the work is completed by proper backfilling and by temporary paving.

If, within two (2) years after the restoration of the surface as herein provided, defects shall appear therein resulting from defective work by the applicant, the applicant shall repair the defective work or reimburse the Borough for the actual

costs, plus twenty-five percent (25%) of such costs, of all necessary repairs to the permanent paving.

Requirements for restoration of street openings are as follows:
